

Component	Excellent (4)	Good (3)	Satisfactory (2)	Needs Improvement (1)	Weight
1. Technical Knowledge & Application (ABET: Knowledge & Application of Engineering, SDG 9 - Industry, Innovation, and Infrastructure)	Demonstrates deep understanding of cybersecurity principles, accurately applies technical skills, and effectively integrates tools to solve security challenges.	Shows good grasp of cybersecurity concepts with minor gaps; applies appropriate techniques with minimal errors.	Basic understanding of cybersecurity topics, but with some technical gaps; application of skills needs improvement.	Lacks fundamental cybersecurity knowledge and struggles with application of key concepts.	25%
2. Innovation, Creativity & Problem-Solving (ABET: Complex Problem Solving, SDG 11 - Sustainable Cities & Communities)	Presents a highly innovative solution addressing cybersecurity challenges creatively and effectively.	Solution is innovative but has minor areas for improvement in creativity or execution.	Some originality present, but lacks significant innovation or effective problem-solving approach.	Lacks innovation and fails to address cybersecurity challenges meaningfully.	25%
3. Ethical, Legal & Societal Impact (ABET: Ethics & Professionalism, SDG 16 - Peace, Justice, and Strong Institutions)	Demonstrates strong awareness of cybersecurity ethics, legal frameworks, and social responsibility, with a clear impact analysis.	Shows good understanding of ethical, legal, and social aspects, with minor gaps in analysis.	Addresses ethical and legal concerns but lacks depth in explaining the broader societal impact.	Limited or no discussion of ethical, legal, or societal implications.	25%
4. Presentation & Communication (ABET: Communication, SDG 4 - Quality Education)	Engaging, clear, and well-structured presentation with excellent use of visuals, technical explanations, and audience engagement.	Well-organized and clear presentation with minor areas for improvement in clarity or delivery.	Basic presentation skills with some disorganization and limited audience engagement.	Unclear, unstructured, or difficult-to-follow presentation.	25%

Grading Scale

- **90-100% (Outstanding Performance)**
- **75-89% (Above Average Performance)**
- **50-74% (Satisfactory Performance)**
- **Below 50% (Needs Improvement)**

KALASALINGAM
ACADEMY OF RESEARCH AND EDUCATION
(DEEMED TO BE UNIVERSITY)
 Under sec. 3 of UGC Act 1956. Accredited by NAAC with "A++" Grade
